### SUPPORT YOUR C. OF C.

"One of the easiest things in the world is to become disappointed about a Chamber of Commerce—any Chamber of Commerce. Such an institution is too often expected to accomplish all the things which each and every individual in a large community of individuals thinks should be accomplished. It is furthermore expected to carry out the programs of each individual without coming into conflict with the views of any other individual, even though these individuals be in violent disagreement. A swiftly attained conclusion about any Chamber of Commerce may be that it leaves a number of things undone.

"Yet each such organization does perform great service of concrete benefit to the city it serves. It focuses and consolidates business efforts; it averts great blunders; it maintains the machinery and the personnel necessary to supply almost instantly the bit of help which any citizen may need, but which, through his own resources, he could obtain only through effort and appreciable expense. And properly supported the intelligently conducted Chamber of Commerce grows steadily in usefulness."

The above pithy editorial from the Worcester Telegram just about tells the story of the Chamber of Commerce. The head of a Chamber of Commerce is often put in the position of being criticized if he does and criticized some more if he doesn't. A clearing house for the entire community, his is an uncomfortable position at times and the entire community should be as one in supporting him.

Mistakes are made by all of us. That's why they put erasers on the ends of pencils. If your directors have made a careful selection of the man in whose charge they put the working of the chamber the chances are about ten to one that he won't make any more mistakes than anyone else would under similar circumstances. Support your Chamber of Commerce to function must be properly financed. Your Chamber of Commerce is working constantly for the betterment of our city and community and in this great program of development the organization has been working hand in hand with all the civic, commercial and industrial agencies, extending and directing their efforts into many directions with the ultimate object of creating a thriving commercial and industrial center and working up to that efficiency which makes for a better community life.

Do you realize that every minute your chamber has to spend in collecting dues takes just that much time away from constructive work for the Chamber of Commerce and Richmond. You can correct this waste of time by doing your bit.

### Assessment Diagram Accepted by Council

A verbal objection to the assessment diagram of Twenty-ninth avenue and McBryde avenue which was made before the city council last night by representatives of the Crichton estate were withdrawn after the assessment had been explained by City Engineer E. A. Hoffman.

A resolution confirming the assessment was adopted by the city council.

## INDUSTRIAL FOUNDATION BEING LAID IN THIS CITY SAYS CHAMBER CHAIRMAN

INDUSTRIAL MUST GROW FROM WITH-  
IN SAYS JOHNSTON, CHAIRMAN  
OF INDUSTRIAL COMMITTEE

By H. A. JOHNSTON  
Chairman Industrial Committee  
Richmond Chamber of Commerce

I agree with Calvin B. Brown, head of the organization service bureau of the United States Chamber of Commerce when he states that industrial expansion in a community must have its inception within the community and must to a large extent be independent of outside sources.

We have already laid the foundation for this industrial expansion in our development of the inner harbor. The new wharf which is now under construction there with the rail and other transportation facilities that are being opened are the first step.

The outer harbor wharf of course is the big thing at the present time and has been for a good number of years.

We must not overlook our present industries with a payroll of a million and a half a month. They are the backbone of the community and it is to a great extent dependent upon these organizations that our future development—industrially—will be.

Richmond has had no new industries of any large size for the past few years, yet we have grown a great deal industrially. This has been brought about by an expansion of those plants already here. Every improvement,

every increase which adds a hundred or more employees is as great an industrial development as it would be to have a new factory locate here with the same amount of employees.

The growth of these industries means another thing—it means prosperity, or capital that is looking for a location.

People should not become discouraged because a Chamber of Commerce does not announce the arrival of a new industry every month or so. A Chamber of Commerce—our Chamber of Commerce—is the only organization that can keep on the lookout for those industries that are looking for new locations. They can present to the advance agent those things in which Richmond excels as a factory location.

The average industry of the type that we would encourage here in Richmond is not going to move overnight, nor is it liable to change its location on a few days' notice because one or two items of minor importance may be better here than in another community. All of the industries that have located in Richmond have prospered due to the increasing facilities that are offered here. As these advantages increase, other industries outside of this city will have those things called to their attention.

It all simmers down to one thing then—industries must be developed from within. If Richmond is the center of a territory which is being served with some commodity manufactured in the East and shipped to this territory, the manufacturer of that commodity is the right kind of a prospect for Richmond. We are interested in that type.

If however, a man has an article that he believes will sell with Richmond as the hub, that is another proposition. If he wishes to start in a small way that is one thing. If however, he wants to sell stock, build a factory for something that has not proven its worth, it is another story altogether. He may be encouraged to come into a

## Street Car Company Asks for Permit to Use Buses to Augment Inadequate Car Service to the City of Haywards

OAKLAND, Feb. 23.—The Key System Transit Company applied today to the State Railroad Commission for a certificate of public necessity and convenience to operate an express motor bus service between Oakland and Haywards over the Foothill Boulevard.

Coupled with the existing street car service, the new bus line will give Haywards a ten-minute transportation service. This means that the present facilities will be increased by 104 single trips with 2016 additional seats provided.

The new line will be 16 miles long and for the operation of its schedules will require five buses and eleven drivers.

The new service will operate through the residential section of Haywards along Foothill Boulevard, paralleling the No. 8 Hayward-Oakland rail line on East 14th Street for approximately three-quarters of a mile. The new line will provide direct transportation for a rapidly growing residential and commercial district. It will pass the Chevrolet and the Fagel manufacturing plants and the County Infirmary.

The new service will make 1750 miles per day with a scheduled speed of 19 1/2 miles per hour, making it one of the fastest motor bus services in the country. Buses will be in service 9 1/2 hours per day.

This express service will pass through three 7c fare zones, none

of which will overlap the other. The first zone will extend from Oakland to Estudillo Avenue, San Leandro, the second from that point to the County Infirmary, and the third will extend from the County Infirmary to D Street, Haywards. Transfer privilege will be extended to all existing lines.

Buses will operate on a 20-minute headway, leaving 13th and Grove Street, Oakland, at 6:18 a.m., and every 20 minutes thereafter up to and including 11:18 p.m. They will leave D Street, Haywards, at 6:08 a.m. and every 20 minutes thereafter, up to and including 11:08 p.m.

The new service is primarily for the purpose of providing fast transportation along Foothill Boulevard between Trask Avenue and D Street, Haywards, serving new territory and giving Haywards a 10-minute service in conjunction with the existing street car line.

On the westbound trip no stops will be made after leaving Trask Avenue except to let off passengers; on the eastbound trips stops will be made only at points west of Trask Avenue.

The company will be prepared to order the new equipment immediately upon the granting of this application by the State Railroad Commission.

## PAGE GRANTED CONTRACT FOR SEWER LAYING

Local Contractor Successful on  
All Three Bids He  
Submitted

WORK TO START AT ONCE

Three Contracts Call for The  
Laying of 56,525 feet of  
Lateral Sewer

L. L. Page of this city was last night granted a contract by the city council for the construction of approximately 56,525 feet of lateral sewer in the East Richmond section. Page, the lowest bidder on three different jobs, was announced successful on each job. Work is to start soon on the construction.

On Job No. 433, extending from Esmond Avenue to the northern city boundary and from the Southern Pacific right of way to Twenty-third street, Page was granted the contract for the laying of 23,570 feet of sewer at a total cost of \$15,677.23.

On Job No. 434, extending from Lincoln Avenue to the northern city boundary and from Twenty-third street to San Pablo Avenue, Page was given the contract for the laying of 30,156 feet of sewer at a cost of \$19,398.52.

On Job No. 438, consisting of Nevin Barrett and Roosevelt Avenues between Twenty-ninth and Thirtieth streets, Page was awarded the laying of 52 feet of sewer at a cost of \$553.65.

## El Cerrito Takes First Step to Widen San Pablo

The first steps toward the widening of San Pablo Avenue in the city limits of El Cerrito were taken last night when the board of trustees instructed City Engineer Ross L. Calfee to prepare plans and specifications for the improvement.

This will mean that the state highway commission will pave about fifteen feet on either side of the avenue and resurface that portion already in use, and the city will improve between thirteen and fifteen feet, which improves the entire width of San Pablo Avenue.

The plans and specifications will also include sidewalks, curbs and gutters.

## Big Army Needed To Enforce Dry Law Says Green

(By Universal Service)  
SAN FRANCISCO, Feb. 23.—A standing army of 120,000 prohibition agents and a congressional appropriation of \$300,000,000 is necessary if the country is to be made bone dry.

This was the answer today of Colonel Ned Green, prohibition director of northern California and Nevada, to a query sent out by General Lincoln C. Andrews from Washington.

Following the "national clean-up," which would cost \$300,000,000 an appropriation of \$50,000,000 annually would be necessary in the opinion of Colonel Green, to keep the country dry.

Colonel Green has a total of 45 agents working out of his office. Their territory covers northern California and Nevada. An army of 2000 agents is needed to cover this territory, Colonel Green advised General Andrews.

### POUNDMASTER'S REPORT

The local poundmaster had a busy month during January according to his report submitted to the city council last night which showed that 58 dogs, one horse, two cows and three goats had been impounded during the month.

## Countess Cathcart At Ellis Island With Women

Who Championed Her In Fight To Remain In America

This photograph was taken at Ellis Island, where Countess Cathcart was detained pending action in Washington on her appeal from an exclusion order, when a group of New York clubwomen went there to tell her they had engaged Arthur Gerfield Hays as additional counsel. Left to right (seated) are Mrs. Gordon Carr, a friend of the countess, Countess Cathcart and Mrs. Harriet S. Blatch; (standing) Helen E. Todd, Anna Walling, Ruth Hale, Mary F. Fallon and Doris Shean. The countess' visitors told Commissioner Curran they would fight until the Earl of Craven, with whom the countess eloped and caused a sensation in 1922, received the same treatment as Countess Cathcart.

## PRESIDENT IS PLEASED WITH CONGRESS ACTS

(By Universal Service)  
WASHINGTON, Feb. 23.—President Coolidge is extremely pleased with what he regards as the excellent record made thus far by the sixty-ninth congress and looks forward confidently to an early adjournment, he told callers at the White House today.

With the World Court resolution adopted and with the tax bill scheduled for submission to him this week, the Chief Executive seems no reason why Congress should not be able to clear up the appropriation bills and certain important general measures without difficulty.

Some of the matters foremost in the president's mind as still awaiting congressional action are:

First, Farm Relief, including the operation bill already passed by the House and now pending in the Senate.

Second, railroad legislation, to consolidate the roads into a few great systems and the "Peace Bill" to avoid future strikes.

Third, enactment into law of the recommendations of the Morrow Aircraft Board.

Fourth, the Italian and other debt settlements pending in the Senate.

Fifth, Muscle Shoals, its lease to private interests.

The record made by Congress, in the president's opinion, is the best since he came to Washington five years ago.

In revealing his satisfaction, the president gave the Republican congressional campaign an enthusiastic start looking toward the election in November.

With a large Republican majority in both the House and the Senate and with Democratic cooperation on the World Court and tax legislation the present Congress very seriously has made a record on which the president believes his party can seek victory in November.

Don't Care If You  
Don't, Says Man As  
He Leaves Council

"I don't care if you don't let me do it."

With these words Jack Martin left the city council chamber last night while a discussion was going on as to whether or not he should be granted a permit to lay a piece of "floor covering" on one of the city streets to demonstrate its durability.

Martin insisted that it was not advertising which is prohibited by a city ordinance. He stated it was a demonstration of the durability of the material.

Although Martin left the council chamber before the discussion was completed the matter was referred to City Manager J. A. McVittie, City Attorney D. J. Hall and City Engineer E. A. Hoffman for disposal.

## House Carries Tax Reduction Bill By A Big Majority

By ARTHUR HACHTEN  
Universal Service Staff  
Correspondent

WASHINGTON, Feb. 23.—Overwhelming approval was given by the House today to the \$387,000,000 tax reduction bill as reported by the Senate and House conferees. The vote was 354 to 28, with one member present and not voting.

Progressive Republicans from Wisconsin and members from other states voted against the bill, chiefly in protest against the cut in surtax rates.

The smoothly-working Republican-Democratic coalition that steered the measure through the House virtually as reported by the ways and means committee crushed all opposition in final action on the bill today.

An attack upon a provision applying the lower estate tax rate of 1924 to all estate falling under the higher rate of the 1924 law, was made by Representative Walter Newton, Republican, of Minnesota, who served notice that he would ask for a vote on his proposal but when the time came for him to make his motion, Speaker Longworth recognized Representative Drane, Democrat, of Florida, in preference.

Drane moved that the bill be

WASHINGTON, Feb. 23.—Vera, Countess Cathcart, may win the right to stay in this country under a decision which would remove the official stigma of "moral turpitude" under which she was banned by Secretary of Labor James J. Davis.

Officials of the department today admitted that they intend to give "very serious consideration" to an appeal that her case be reopened on the ground that she has never committed "a crime" which makes her an undesirable under the immigration laws.

The department received a tele-

## Club Withdraws Offer to Furnish Bath House Room

When informed by City Attorney D. J. Hall that legally the city of Richmond could not enter into a contract with the West Side Improvement Club to assure them the use of the Ladies rest room at the city natatorium as a meeting place on Monday nights, Mrs. G. W. Topping, president of the club, withdrew the offer of that organization made to the city council a week ago, to furnish the room.

According to Mrs. Topping the plan had been suggested to the club that if they would furnish the rest room, with funds on hand, that the city might be able to give them permission to use the rest room on Monday nights for a meeting place. The natatorium is to be closed on Mondays and it was believed that the plan would not interfere with the use of the bathing pool on all other occasions.

City Attorney Hall however pointed out that if the door was unlocked for the use of the clubwomen any tax payer would have the privilege of entering the natatorium and that the city would be responsible for any damage that might result.

New Church At El  
Cerrito Dedicated  
The new Methodist Episcopal church at El Cerrito was dedicated on Sunday. The handsome new structure which is located at Stockton and Everett streets was officially opened when morning, afternoon and evening services were held under the auspices of Bishop Hughes and District Superintendent Banc. Hundreds participated in the services which were well attended by pastors of the east bay region.

## THREE BIDS ARE RECEIVED FOR LEASE OF WHARF

Bids Would Net City Profit of  
From \$12,000 to \$90,000  
Per Annum

TO DECIDE NEXT WEEK

Bidders State They Believe  
Business at Local Wharf  
Can Be Increased

Three bids from operators who believe that they can operate the Richmond Municipal wharf and pay the city sums running from \$12,000 to \$90,000 per annum were opened at the meeting of the city council last night.

The Terminal Stevedoring Company submitted a bid which would net the city approximately \$45,000 per annum if 150,000 tons of freight were handled; \$60,000 if 200,000 tons were handled and \$90,000 if 300,000 tons were handled. Under the terms of this bid which was signed by A. Driscoll, the company would pay the city of Richmond twelve cents for every ton of goods that crossed the wharf either going to or from ships.

This would however have no effect upon the tolls for dockage and other revenue which would accrue to the city.

This company stated in its bid that it believed it could build up a big business with the facilities offered at the local wharf.

Another bid was submitted by Edward B. Egbert whereby he proposes to pay to the city an annual rental of \$1,000 per year for the rental of the wharf and a

## Final Plans of South Richmond Park Accepted

Final plans for the South Richmond Park, to be constructed on two city blocks between Tenth and Twelfth streets and between Virginia street and the Nystrom school were accepted by the city council last night upon the recommendation of Councilman J. H. Chandler, chairman of the park and playground committee.

The plans of the park prepared under the supervision of John A. Miller, chairman of the Park and Playground Commission of the city, provide for a combination park and playground and the closing of Eleventh street from Virginia Avenue to the Nystrom school.

Various paraphernalia for the use of small children as well as other playground facilities will be included in the playground.

Immediate action in the completion of this playground was urged by the council in adopting the plans.

ARC LIGHT

A petition asking for the erection of an arc light at the intersection of Nevin and Dinn avenues was referred to the light committee of the city council last night when the petition asking for the light was presented to the council.

## MASONS PLAN CONSTRUCTION OF NEW HALL

According to an announcement made yesterday by C. R. Alexander of the Masonic hall board of directors, plans for the new Masonic hall to be erected at the southwest corner of eighth street and Macdonald avenue have been completed and work on remodeling the present building known as the Richmond hall, into one of the finest lodge buildings in Richmond will start as soon as the weather permits.

The hall was purchased last fall but on account of the heavy winter storms construction work was deemed inadvisable.

According to the plans, the entire second floor will be made over into a banquet hall, club room and lodge halls while the first floor will be devoted to business houses.

A drive conducted by the different Masonic lodges has realized enough funds for the work.

According to the plans the building will be occupied by the office, the large and small lodge room, a large and small banquet hall, kitchen, ladies rest room, clubroom and locker room.

## Hughes Funeral Rites Are Held

Funeral services for John Earl Hughes were held from the Bert Curry chapel yesterday afternoon at two o'clock, with the local lodge of Elks officiating. Hughes was 41 years old at the time of his death, which occurred at the Southern Pacific yards in Oakland Friday. He was a resident of Richmond until a few months ago when he was transferred to Oakland.

Hughes was the son of Mrs. Murray Hard of Detroit, Michigan; the father of John Hughes; the step brother of George Hard of Berkeley; and the nephew of Dr. H. S. Scott of Salt Lake City. He was prominent in Elks affairs here, and will be buried in the Elks plot of Sunset View cemetery.

## Tahoe Council Prepares for Visit of Chief

Preparations for the official visit of the Great Pocahontas to the Tahoe council here on Saturday night were made at the meeting of the Tahoe council of Pocahontas, which was held at the Moose hall last night.

Great Pocahontas Gertrude E. Ridley will make her call on Saturday night and the local council is planning an entertainment for her.

A report was made by the committee that handled the food sale last week. They reported that the sale was a success.

Letha Westfall was in charge of the meeting.

## HEALTH CENTER TO NAME OFFICERS

## NOTED SPEAKER TO LECTURE AT 1ST CHRISTIAN

Arrangements have been made by the First Christian church, Sixth and Russell of which Rev. Frank A. Woten is pastor, for a series of Health Lectures to be given by Dr. J. C. Elliott, noted health lecturer of international reputation, on Prevention of Disease will be given Wednesday night at 7:30. Admission will be free to the entire series of lectures; given daily at 2:30 and 7:30.

Elliott has recently returned from a lecture tour in Canada of eight months. The large auditorium seating from 2,000 to 3,000 people in Vancouver, Calgary, Winnipeg, Ottawa and Montreal, were packed to hear his lectures.

The problems of food and food value, the necessity of a balanced ration for health, scientific teaching and bathing, the danger of wrong combination of food, and the value of health culture exercise in Prevention of disease, and preservation of health, will all be discussed.

The average life-line has been increased 25 years in the last half century. It is now 55 years for men and 60 years for women. Man can add fifteen years to his present life-line by proper eating and living," says the lecturer.

"Death at forty is a tragedy and a crime in most instances. Man should be in his prime at 60, efficient at 75, and cross the century mark with a bound, if he will live properly and eat properly. The vast number of premature and sudden deaths of today from paralysis, heart disease, apoplexy, stomach trouble, high blood pressure and hardened arteries are due largely to overeating and the high pressure life.

The subject Thursday afternoon is Chief Causes of Disease: 7:30, Scientific Breathing For Health; Lung Development.

**VALENTINO IN  
 "THE EAGLE"  
 COMING HERE**

Rudolph Valentino will make his first screen appearance in some time in "The Eagle," a glamorous picture of Russia before the revolution, which will be shown at the California Theatre beginning today. This is the star's first production since he aligned himself with United Artists Corporation.

Valentino appears in three distinct guises in this fast moving story, which is also filled with comedy. He is seen first as a Cossack lieutenant, garbed in dazzling uniform, then as the mysterious bandit, known as the Eagle because of his swift and surprising movements. While a bandit he masquerades as a French tutor and enters the home of his mortal enemy.

In "The Eagle" the star is supported by Vilma Banky, the beautiful Hungarian actress whom Samuel Goldwyn discovered in Budapest and brought to America, and by Louise Dresser, for many years a stage star, who has recently scored a great success on the screen, following her appearance in "The Goose Woman." Even the minor roles are played by actors of distinction.

Valentino was fortunate in having such a capable director as Clarence Brown for this production. Brown has made notable progress in the last two years and his definitely established himself as a master with such pictures as "Smouldering Fires," "The Goose Woman," and "The Acquittal."

"The Eagle" is based on "Dunbar," a Russian classic by Alexander Pushkin, "The Shakespeare of Russia." The screen version was prepared by Hans Kraly, who wrote "Passion," "The Captive," "Her Sister from Paris," and many other notable successes. Other features on the same program include "Fire Away," a Mermaid comedy; "International News"; Larry Canelo, at the organ.

Rudolph Valentino as he appears in the greatest role of his career in "The Eagle" which comes to the screen of the California Theatre for two days starting today.

**Von Stroheim's  
 Masterpiece At  
 The Richmond**

So realistic was the scenic setting for Erich von Stroheim's production of "Greedy" which will be shown today and tomorrow at the Richmond Theatre, that San Francisco people were constantly entering the building in search of "Dr. McTeague," or some of the other mythical tenants of the place.

In order to achieve absolute realism in the filming of this adaptation of Frank Norris' classic novel of "McTeague," Erich von Stroheim elected to film the story in San Francisco in its actual setting. For this purpose a two story building in a neighborhood identical with the one described by Norris was leased, and refitted to meet the demands of the story.

Readers of "McTeague" will remember that the dentist occupied a corner room with a big bay window, which bore the sign, "Dr. McTeague's Dental Parlor." This was reproduced, as well as the advertisements of the photographer and the publisher, who occupied other rooms on the same floor with the principal characters of the story. Attracted by these signs and facing to notice the evidence of fiction picture making, delivery, prospective patients of "Dr. McTeague" and his colleagues, the photographer and the publisher, who guarded the entrance several times each day during the filming of the picture.

A giant negro, bedecked in all his Sunday finery, and a tiny old lady with a badly swollen face actually reached the upper floor of the building before they were intercepted. The first wanted to have his picture taken and the second sought "Dr. McTeague," professional services, including the advertised gas.

"McTeague" in the picture is played by Gibson Gowland, while others in the cast include Zasu Pitts, Jean Harlow, Chester Conklin, Hattie Mack and Sylvia Ashton. "Greedy" is a Metro-Goldwyn picture, presented by Louis B. Mayer.

## HIGH SCHOOL CAGERS WIN IN HAYWARD GAME

The thousand rooters from Richmond who journeyed to Hayward on Monday night came home happy. Although Richmond lost the 120-pound game to the farm boys by a score of 15-13, the 120's were whipped 15-4, the unlimiteds in the big game of the night came through with a win by a score of 20-16.

The 120 game was the best lightweight game seen for a long time. They had a wonderful chance of winning their game on fouls but out of 14 fouls the local nudgets made two.

After the slaughter of the lightweight game had ceased the Richmond high school unlimited team trotted out onto the floor and began to warm up, accompanied by the cheers of the gigantic Richmond rooting section in the large gymnasium.

Then out came the Hayward Farmers, every man-jack appearing to be no less than 6 feet tall. They were big and husky and compared to the small local team, they seemed as giants.

But size didn't seem to faze the local team. They started the music, playing rings around the heavier team. Rowdy Dyer started the scoring when awarded two shots for holding on the part of the Hayward captain. Dyer sank both shots.

Then Captain Ernest Barbieri started down the court and was fouled. Two shots and Ernie sank both of them.

From then on the local team started a whirlwind attack. Dyer was the star man. He had his basket eye and sank them from all distances.

When the first quarter ended in a score of 4-1 the Richmondites were ready to carry home the bacon.

Otto Johnson started some long shots and bagged two of them and a foul.

At the end of the half the score stood 14-9 for the locals.

From the start of the half to the sound of the gun that ended the fray, the game started fast and furious. The farmers were vainly seeking to make up lost points and they bombarded the basket from all angles. Many of their shots would graze the bucket, bringing gasps from the audience.

At one point of the game the score stood close, 16-14, then Dyer came through with two buckets. The farmers made their last points as the gun sounded.

Not too much can be said about the playing of the local team, especially Dyer and Barbieri.

Although Barbieri did not make many points it was through his efforts that the local team scored. Ernie dribbled the ball and passed in a manner that kept the farmers in a daze.

The high point men for the game were Dyer, with 12 points, O. Johnson, 5 points, and Barbieri, 2 points.

The local lineups were: Dyer, f. 12; Villalobos, f. 1; Johnson, c. 5; Barbieri, g. 2; Milicovich, g. 0. Subs: Gray for Milicovich; Gualdoni for Milicovich; Thompson for Gray, and Clark for Dyer.

The committee of tennis stars who have been formed into an organization group consists of Miss Retha Dreyer, M. O'Neil and F. T. McKnight.

Members of the Berkeley club and City Manager J. A. McVittie and Superintendent W. H. Helms, have been invited to attend the meeting tonight.

The Point Richmond Aerle of Eagles had a short business session last night at the Woodmen's hall with Bert O'Loan presiding.

A report was made upon the Monday night by the Moose and Eagles.

### MISS RYAN WINS

ST. AUGUSTINE, Fla., Feb. 23.—Miss Mary Browne, former national tennis star was defeated by Miss Elizabeth Ryan No. 2 ranking national champion in a hard battle yesterday by a score of 6-4 and 6-2.

### SAINTS AND BRONCS MEETS

The game this evening between the St. Mary's quintet and The Santa Clara "Broncs" will be the start of the little big series. The St. Mary's quintet on paper, should take the Broncs down the line for the Stanford team by over 40 point while the Saints lost by a close margin to the Nevada wolves for the Far Western championship.

### SEALS HAVE PRACTICE

BOYES SPRINGS, Feb. 23.—The San Francisco Seals started their first practice game yesterday. Bert Ellison seems to realize that his youngsters will have a chance to show their stuff in practice games. Word has been received that the Mission Bears have not arrived in camp as yet.

### U.C. WINS GOLF CHAMPIONSHIP

DEL MONTE, Feb. 23.—Harold Thomson of the University of California Southern branch won the Intercollegiate California Golf Championship yesterday by defeating Ward Esmonds of Stanford 9-7 in the 36 hole final round.

## House Carries Tax Reduction Bill By A Big Majority

(Continued From Page 1) ordered to conference with instruction to the House conferees to insist upon repeal of the estate tax. Since only one majority vote was needed to send the bill back to conference is permissible under the rules, Newton was crowded out and there were murmurs that the administration "steam roller" was being put in operation.

The Drane motion was smothered by overwhelming cries of "No."

Charges made by Representative J. William Ramseyer, Republican, of Iowa, that the bill will result in a revenue loss of \$449,000,000 and make it necessary to increase taxes next year were flatly denied by Chairman Green, Green.

If a deficit results, all responsibility will rest with the treasury department, said Green, adding: "Secretary Mellon has approved the bill as it comes from conference. If he had wanted a lower amount of reduction, he would have gotten it."

Charges that the American Bankers' League has carried on a nationwide campaign including the "purchase" of members of state legislature to demand repeal of the estate tax were made by Representative John M. Garner, of Texas, ranking Democrat on the ways and means committee and one of the House conferees.

Southern states were scored by him for asking repeal of the estate tax, "when all of the southern states pay only one-fifth as much in federal estate taxes as does New York state."

## Three Bids Are Received For Lease of Wharf

(Continued from Page 1)

toll of five cents per ton for all freight crossing the dock. The collection of this toll or paying of the rental would not prohibit the city from collecting tolls for dockage etc. Under this bid the bidder pointed out that with a tonnage of 150,000 tons per annum the city could expect or receive: \$22,500 for tolls; \$1,000 for rentals and \$7,500 for freight making a total earning per annum of \$31,000.

The Richmond Terminal corporation submitted three bids. These bids submitted by O. Zugg, president of the company were as follows:

Bid No. 1. Payment to the city of \$12,000 as an annual rental.

Bid No. 2. Payment to the city of \$15,000 as an annual rental with the privilege of cancelling the bid on the payment of \$500 at a years notice.

Bid No. 3. Payment to the city of \$18,000 as an annual rental with the privilege of cancelling the bids on the payment of \$500 on three months notice.

A communication was received from William Van Aspen in which he stated that he did not wish to bid on the specifications made by the city, stating that he believed it impossible to assure any given amount of freight to be taken in over the wharf.

A similar letter was received from Fred Parr of the Parr Terminal Corporation. Both Parr and Van Aspen agreed to confer with city officials on the working out of a plan whereby they would agree to take over the operation of the wharf.

As the motion to lay the bids over for one week was being brought to a vote before the council Jackson H. Misner present harbor manager cautioned stated

## Zimmerman Rites Are to Be Held At Healdsburg

(Continued from Page 1)

Joseph Rudolph Zimmerman died at a local hospital yesterday morning, after a weeks illness, at the age of 55 years. He was a farmer until two years ago when he moved to 17 Fifteenth street, Richmond, and a native of Germany.

The widow, Mrs. Mattie E. Zimmerman is left by the deceased, as also are his children, Frank A. John L., Joseph E., Ralph H., Marion H. and Bessie Zimmerman.

The body is at the Bert Curry chapel, and will be shipped to Healdsburg after arrangements are made.

## Johnston Talks To Club Women

Henry Johnston, past president of the Richmond Chamber of Commerce, was main speaker at the Business and Professional Womens club luncheon at the Dea O'Sweets yesterday noon. Over twenty-five members were present to hear the discussion of affairs of the Chamber of Commerce and of Richmond.

to the council that he did not believe that the idea of paying the city a certain amount for each ton of freight would work out.

"The man who is handling the commodity will not pay that charge so it will naturally return to the shipper of the goods. You are going to kill the business at the wharf by putting an assessment of this amount against the man who is shipping the goods," he stated.

The council voted to lay the matter over for one week.

## DAUGHTERS OF ST. GEORGE TO HOLD WHIST PARTY

Plans were made at the meeting of the Daughters of St. George last night for a whist party to be given on March 30, at the Memorial hall. Many beautiful prizes will be given.

At the meeting a social time and whist was enjoyed, following the business sessions. President Ida Hobbs was in charge.

**P. A.**  
sure makes  
a grand  
cigarette!

AND that's no bedtime story. It's great tobacco, for one thing. You'll say so! Prince Albert is crimp-cut and stays put. Doesn't flutter to the floor or take wings with the first wind. Easier to roll and a better smoke. Ask any roll-your-owner.

Cool and sweet and soothing, P. A.'s wonderful smoke sifts into your system and paints the dull, drab world a bright, cheerful red. Fragrant. Friendly. P. A. can't bite your tongue or parch your throat. The Prince Albert process voted "thumbs down" on that at the start.

Get yourself a tidy red tin or a toppy

red bag of P. A. today. Take out your papers, like a new citizen, and get busy with your finger exercise. Light up! Then you're ready to tell the ben-turpin world that no home-made cigarette ever came within a mile of that!

When you learn what wonderful tobacco P. A. is, try it in a jimmy-pipe. Thousands of men who wanted to smoke a pipe, but "didn't dare," have become jimmy-pipe regulars since they discovered Prince Albert. There's a friendly shop nearby. Go get yourself some P. A. now!

# PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins and toppy red bags. And always with every bit of bite and pack removed by the Prince Albert process.

**Baby Saved From Heart Trouble**  
Martinez, Nov. 6, 1925.  
Our baby, Myrtle, had been ailing for about two years, during which time we had taken her to many physicians, none of whom knew what was the matter with her.  
Myrtle steadily grew worse. Her heart beat rapidly and noisily, she had but little blood, and the pallor of her face was like the whiteness of a sheet of paper. She finally became so weak that she could neither walk nor eat.  
Some doctors thought it might be her teeth, but they had all come through and she was getting worse every day.  
We were recommended to see Fong Wan. He found that she was suffering from heart trouble. She has taken the Fong Wan Herbs for three months and is in fine health.

About 500 people from Richmond are expected to attend the Elks' dance at Martinez on Saturday night according to an announcement made at the meeting last night of the local lodge of Elks. Dr. C. L. Abbott, the first exalted ruler of the Richmond lodge was in charge of the session.

A large class of candidates was initiated at the meeting which was followed by an entertainment that was given by the San Francisco Elks' Glee Club.

## BELL TAILORS TO OPEN STORE IN THIS CITY

The Bell Tailors, one of the largest mens tailoring establishments in the United States, will open a new store in Richmond. M. Pinsky, proprietor of the Bell stores throughout the country has taken a long leave on the store room formerly occupied by the J. C. Pinsky company at 730 Macdonald avenue and will have his opening on Friday evening. Pinsky has just returned from New York City where he purchased a large supply of new materials for the Richmond store. All of the patterns he will display Friday will be of the latest designs, and "up to the minute" he states. The Bell company operates stores in New York City, Chicago, Denver, Pittsburgh, St. Louis, Los Angeles, Oakland and San Francisco.

He extends a cordial welcome to the Richmond people to attend his opening Friday evening.

## City Takes Over The S. P. Subway

A contract whereby the city of Richmond is to take over the subway of the Southern Pacific company on Macdonald avenue was authorized last night by the city council.

The contract accompanied by a letter from the Southern Pacific company had completed the repairs on the pedestrian subway. The road was reported to have been plastered and made watertight. New drainage pipes had been installed. Upon the recommendation of city engineer E. A. Hoffman the tunnel was accepted and Mayor W. W. Scott was instructed to execute a contract with the railroad company accepting the work.

## C. C. YOUNG TO ENTER RACE FOR STATE HEAD

(By Universal Service)  
SACRAMENTO, Cal., Feb. 23.—Lieutenant Governor C. C. Young has announced his candidacy for the Republican nomination for Governor of California. Young's announcement was made in an editorial printed in a recent issue of the Sacramento Bee. The editorial in part is as follows:

"The lists have been cleared so that now there are but three in the race for the Republican nomination for Governor of California. The present Executive, Friend W. Richardson, C. C. Young and Rex Goodell.

"In the hands of those who are truly progressive, who want the state to control the corporation as well as govern the citizenry, there can be no comparison.

"In service to the people, in unflinching loyalty to their best interests, in tireless labor along the path of right and progress, C. C. Young stands head and shoulders above the other two.

"If the republicans of this great state really believe the banner of leadership should be awarded to him who hath borne the heat and the dust of an unceasing fight for the state's best interests, never flinching, never evading, never compromising, then C. C. Young will be their nominee by an overwhelming majority.

"If the republicans of California are true to the real progressive doctrines which have made of this commonwealth the most advanced state in the union in all that works for good government, they will stand loyally by those doctrines; they will not desert the man who never has deserted the tents of Israel.

"C. C. Young has served the people of California well and faithfully for many years.

"He was elected to the assembly in 1908; in 1910; in 1912; in 1914; and in 1916.

"He was chosen speaker therefrom in 1913 to 1919, and, on November 5, 1918, was elected Lieutenant Governor over which, in a vastly greater vote, his plurality in 1918 being 95,932; in 1922, 264,983.

"He was the only speaker in the history of this state to have been chosen for so long a term as six years, and the only Lieutenant Governor to have been re-elected.

"This man needs no perfunctory, platitudinous, platform party to recommend him to the good graces of the Sovereign people.

"His official record is his platform—a better platform than any man could write for him.

"And that record—built up unceasingly, courageously, and honestly, in the fierce light of constant publicity—is 100 percent American, 100 per cent loyal to the best interests of the people."

## SAWS BARS TO ESCAPE JAIL

(By Universal Service)  
MADISON, Wis., Feb. 23.—Edward A. Allison, alias Shorty Casey, held in connection with several Wisconsin mail robberies, sawed the bars of his cell in the county jail here late today and escaped.

He was reported to have fled to Chicago, Casey, it is believed, was the leader of a band of post office robbers.

## Home Laundry Gets Bath House Work

The Home Laundry company of Richmond is to be awarded a contract for the laundering of towels and bathing suits at the Municipal Natatorium according to instructions given City Manager J. A. McVittie by the city council last night.

According to McVittie the company was the lowest bidder on the work. A one year contract is to be awarded.

## LEGION THANKS COUNCIL

The American Legion Armistice Day committee through its chairman John G. Gilbert last night sent a letter to the city council thanking them for the loan of the city hall for the Armistice Day celebration in making it possible for the legion to raise \$125 toward the national endowment fund of the legion.

City Attorney D. J. Hall was given special mention in the letter for his efforts in assisting the Armistice Day Committee.

## TRUSTEES OF EL CERRITO HAVE A BUSY SESSION

City marshal Forrest Wright reported that the new street signs had been installed and all the waterways in the city cleaned.

**STREET IMPROVEMENT**  
The plans and specifications for the improvement of portions of Willow and Elms streets with a roadway of oil macadam submitted by the city engineer were adopted by the board.

**LIBRARY IMPROVEMENT**  
The recommendation of trustee Kirk Gray that additional shelving and a new door mat for the library be purchased was passed the trustees.

**DANCE PERMIT**  
A permit was granted to J. Rossi to hold dances every Saturday night at the El Cerrito Athletic Club.

Attorney Carlson was instructed to prepare a new ordinance empowering the board to fix the closing time of dances in the city limits.

## SEWER CONSTRUCTION

City engineer Ross L. Calfee reported that all the rights ways for the sewer through Berkeley County Club Terrace tract had been received with the exception of the one from the Berkeley Syndicate Co.

The board instructed the city attorney to start condemnation proceedings if the board did not receive the right of way from the realty company during the week.

**TO PURCHASE FILE**  
The trustees granted city treasurer Cora J. M. Simson permission to purchase a steel filing system for her office.

**HEALTH CENTER**  
Mayor Frank McDermott appointed George Adams to meet with the Richmond Health Center to get information concerning the benefits derived by people from El Cerrito from the Health Center.

**TO CURB TRAIN SPEED**  
A number of complaints have been made to board about the rate of speed the Santa Fe railroad trains go through the city and want the speed reduced to fifteen miles per hour through the city limits.

The matter was referred to city attorney T. M. Carlson.

**WAITING ROOM**  
The waiting room of the Key System Co. at county line has been removed as the property on which it was located is owned by the Du Pont Powder Co. and the property was ordered vacated.

Mrs. J. W. Schoute asked the trustees to write the powder company asking permission to erect the waiting room on their property again.

The city clerk was instructed to communicate with Du Pont Co.

## Mrs. Coolidge Has Bad Cold

(By Universal Service)  
WASHINGTON, Feb. 23.—Mrs. Coolidge was tonight suffering a severe cold. She was obliged to cancel all engagements, including the formal dinner to the president and her by Attorney-General and Mrs. Sargent.

President Coolidge, recovering from his cold, today for the first time in a week carried out a full program of official and social duties.

He kept his usual set of appointments at the executive office, including the regular Tuesday cabinet meeting and conferences with newspaper correspondents.

Tonight he attended the Sargent dinner given in his honor. In the place of Mrs. Coolidge, he was accompanied by Mrs. Jardine, wife of the Secretary of Agriculture.

## NEGOTIATIONS END MILK WAR

An announcement was made yesterday by Clare D. Horner, attorney for A. Costa of the Parity creamery that negotiations between the San Pablo milk producers and the Eagle Creamery have purchased the route and equipment of the Parity creamery, now bankrupt, have been completed and approved by the authorities.

Referee Hayes and Receiver in Bankruptcy Edward C. Street has approved of the plans, Horner announced. The sales include all routes, machinery, bottles and other equipment.

At the hearing held in Oakland last night, Costa testified as to the manner in which his business was handled.

No decision has been reached by the Eagle or San Pablo creameries as to the disposal of the equipment that was purchased.

## Countess May Win Fight to Remain

(Continued from Page 1)  
graphic appeal today from Arthur Garfield Hays, the countess' attorney, to re-open her case for introduction of new evidence.

Assistant Secretary of Labor B. C. White, ranking official of the department in the absence of Secretary Davis, said to Universal Service:

"We have received Hays' telegram. The matter will be acted upon as soon as Solicitor Theodore G. Risley returns from Rochester. Hays' request will be given very serious consideration."

Hays' appeal brings up an issue hitherto unraised in the exclusion case. He declared in the telegram that it has been established that adultery is not a crime under the laws of South Africa. Immigration officials at New York are said to have verified this by cable.

It was in South Africa, whither she fled with the Earl of Craven after both had abandoned their mates, that the countess committed the offenses which she admitted before the special board of inquiry of New York immigration officials. On the strength of that admission she was excluded.
